## Features and Benefits

- A simple upgrade to a standard conservatory, that makes a statement.
- Makes the roof/frames interface tidier hiding the appearance of glazing bar end caps, gutter/brackets and the ends of the glazing panels.
- Perfectly complements the colour of the windows and doors - available in four standard styles and colours – or select your own colour!
- Integrates fully with the design of your choice, irrespective of the style of windows and doors chosen e.g. bi-folding doors.
